Prospective students will be considered for Colgate's need-based aid only when they identify as an aid applicant on their admission application and submit their 2024-25 CSS Profile before an admission decision is made.

Financial aid offers will be provided at the same time as admission decisions. Colgate meets full demonstrated financial need for all admitted aid applicants.

Admitted domestic Colgate aid recipients will be required to submit their 2024-25 FAFSA to Colgate by 5/15/24 to finalize federal student aid eligibility. Those only applying for federal aid may submit the FAFSA anytime during the 24-25 academic year.
