Students who are interested in obtaining an evaluation for ADHD/learning Disabilities/or academic accommodations.

1. Students who are seeking academic accommodations/support should contact Lynn Waldman, the Director of Academic Support and Disability Services @ 228-7375

2. Currently Colgate University does not offer Psycho-Educational testing on campus. You can check with your home provider or counselor/therapist regarding options and/or referral. It is also advised to check with your health insurance carrier, as often this type of evaluation is not covered and can be costly.

Below is a list of possible contacts for Psycho-Educational evaluations in our surrounding area (approximately 1 -1 ½ hours drive):

Steven Richardson
Kevin Antshell
Education Solutions CNY
Psychological Health Care, PLLC
