ARTICLE VII

ELECTION PROCEDURES

Section 1 Nominations Committee Candidates

In recommending annually the seven (7) candidates for the Alumni Council referred to in Article IV, Section 1(a) of these Bylaws, the Nominations Committee shall recommend one (1) candidate from each of seven (7) membership groups determined as follows: the entire membership shall be divided into seven (7) membership groups by consecutive graduation class so that each group will contain as nearly as practicable an equal number of members. In recommending annually the “at large” candidates for the Alumni Council referred to in Article IV, Section 1(b) of these Bylaws, the Committee shall recommend two (2) candidates, who may be members of any of the seven (7) membership groups.

In selecting these candidates, the Nominations Committee shall consider varied Colgate volunteer service, a demonstrated commitment to Colgate over time, meaningful personal or professional accomplishments or contributions to the greater community, a readiness and willingness to become more involved on behalf of the University, a consistent history of giving financial support to Colgate, as well as other indicia of significant engagement with or contribution to Colgate. The Committee shall endeavor to ensure that the nominees recommended for election to the Alumni Council would, if elected, result in an Alumni Council that reflects and represents both graduating class distribution and the diversity of the alumni membership as a whole.

Upon approval by the Alumni Council of the candidates so recommended the Executive Secretary shall cause the names of the seven (7) candidates for the Alumni Council and the membership groups from which they were nominated and the two "at large" candidates to be listed either: (i) in the first issue of The Colgate Scene or any successor publication following the Winter Alumni Council meeting in which the listing can be accomplished (giving due consideration to publication deadlines and the need to obtain consents and information from the nominees, but in no event later than March 1 following the Winter Alumni Council meeting), or (ii) in a notice sent to every member on or before March 1 following the Winter Alumni Council meeting. Such notice shall summarize the method for nominations by petition as set forth herein and shall state that if no such nominations are made for a directorship, the Executive Secretary is authorized by the Bylaws of the Corporation to cast a unanimous ballot at the annual meeting for the single candidate nominated for each such directorship.

Section 2 Petition Candidates

Any member whose name shall not have been listed as one of the nine (9) candidates referred to in the previous Section 1 shall be eligible for election as a member of the Alumni Council from
either the membership group that includes his or her graduation class or “at-large,” provided that a petition to nominate him or her that states the membership group or “at large” for which he or she is to be nominated and is signed by not less than seventy-five (75) members entitled to vote, shall have been delivered to the Executive Secretary no later than April 10 preceding the annual meeting.

During any particular year, no member may sign more than one (1) petition in each membership group and one (1) petition for an “at large” candidate. No member shall be nominated unless his or her consent in writing to nomination has been obtained.

Section 3 If any candidates are nominated by petition, the Executive Secretary, not less than thirty (30) days before the date of the annual meeting, shall send to every member a ballot for the contested position(s). Ballots may be returned in any manner specified by the Corporation in the ballot, and no other. Ballots other than in person must be received by the Corporation not later than the day prior to the annual meeting. Any ballot returned in person must be filed not later than fifteen (15) minutes after the opening of the annual meeting. Only nominations made as provided in these Bylaws shall be voted upon at the annual meeting. In the event that there is no contest for one (1) or more positions, the Executive Secretary shall cast a unanimous ballot for the single candidate nominated for each such position at the annual meeting.

Section 4 Election of the President, Vice President, Executive Secretary, Treasurer, Legal Counsel and nomination of Alumni Trustees, when there is more than one (1) candidate

(a) Each candidate shall have the opportunity to submit a brief resume to the Executive Secretary for distribution to each Council member between the meeting at which the nomination is made and the meeting at which the election is to be held.

(b) Each Alumni Council member shall receive a blank ballot on which the Alumni Council member shall write the name of the candidate of the Alumni Council member’s choice. The ballots will be collected and tabulated by the President, the Executive Secretary and the Chair of the Nominations Committee. If the Chair or the President or the Executive Secretary is a candidate for the position being voted on, the President shall appoint an alternate who is not a candidate from the Nominations Committee. To be elected, a candidate must receive the affirmative vote of a majority of the Alumni Council members present and eligible to vote. Neither absentee nor proxy ballots will be accepted. If no candidate receives a majority of the first ballot, the candidate with the fewest number of votes will be eliminated from the election and the balloting will continue. The same procedure shall be followed until one (1) candidate receives a majority. All balloting shall be by secret ballot, and no Alumni Council member shall be required to indicate for whom that Alumni Council member voted. The President shall announce the results.

ARTICLE VIII

INDEMNIFICATION

The Corporation shall indemnify and hold harmless each present and former Director and Officer of the Corporation, or, if deceased, such person’s personal representative, and the Corporation may advance expenses to such person and obtain insurance, to the full extent authorized or permitted by the laws of the State of New York relating to indemnification of directors and officers as may from time to time be in effect. Any such
indemnification shall not be exclusive of any other right to which such person may be entitled by resolution of the Alumni Council, agreement, or otherwise.

ARTICLE IX

AMENDMENTS

The Bylaws of this Corporation may be amended at any meeting of the Alumni Council, upon: (a) fifteen (15) days’ written notice by the Executive Secretary to the Alumni Council members specifying the proposed amendment, (b) at least twenty-eight (28) Alumni Council members eligible to vote being present, and (c) the affirmative vote of at least two-thirds of those Alumni Council members present and eligible to vote.
