All allowance payments are charged to your department’s budget and considered other compensation. The cell phone allowance will start at the next scheduled monthly pay date.

Appropriate payroll taxes on the allowance amount will be withheld from the paycheck, and the amount of the allowance will be included on the eligible employee’s year-end W-2. The allowance does not constitute an increase to base pay, and will not be included in the calculation of percentage increases to base pay due to annual raises, job upgrades, benefits based on a percentage of salary, etc.
