Green Bikes Rental Form

Green Bikes is a bike-rental program. By registering with Green Bikes, you will essentially have your own personal bike for the semester. Our hope is that this program provides a cost effective, efficient, and healthy transportation option for members of the Colgate community.

Guidelines

1. You agree to rent a bike, lock, and helmet for the duration of one rental period and pay a $15 rental/month fee via ‘Gate Card, cash, or check for said rental.

2. You agree to always lock your Green Bike to a rack when not in use. You agree to pay $15 if your lock is not returned and/or $20 if your helmet is not returned with your bike at the end of your rental.

3. You agree to always wear a helmet while riding a Green Bike.

4. Failure to ride your Green Bike safely can result in revocation of rented property with no refund.

5. You agree to return the bike (and any other rented equipment) by the return deadline or pay a late fee of $5 per day. You will be informed of your return date at the time of rental.

6. You agree to NEVER ride your Green Bike while intoxicated or under the influence of any drugs. Walking or taking the cruiser is the better option.

7. If a bike is in need of maintenance, no matter how minor, please notify the Office of Sustainability (sustainability@colgate.edu) immediately and discontinue using the bike until it is fixed.

8. You agree to take care of your Green Bike as if it is your own property.

9. Individuals who do not return their bikes will be charged the full cost of replacement ($250-$350). Individuals who return their bikes damaged beyond the normal wear-and-tear will be charged for the full cost of repair.

I understand the guidelines stated above.
