Upon the termination of the Plan or Plan feature, as the case may be, all elections and reductions in compensation relating to the Plan or the applicable Plan feature will terminate.

B. Eligibility and Benefits

1. Employee Eligibility Requirements

In order to be an eligible employee under the Group Medical, Group Dental, Group Term Life / AD&D and Group Supplemental Life Plans you must be a regular employee of the Employer scheduled to work at least 20 hours per week and you must not be a non-resident alien without any U.S. source income. You will be eligible to enroll upon date of hire.

In order to be an eligible employee under the Group Short Term Disability Plan you must be a regular employee of the Employer scheduled to work at least 20 hours per week excluding Faculty and Administrators and you must not be a non-resident alien without any U.S. source income. You will be eligible to enroll after 4 consecutive weeks from date of hire in an eligible position.

In order to be an eligible employee under the Group Long Term Disability Plan you must be a regular employee of the Employer scheduled to work at least 20 hours per week and you must not be a non-resident alien without any U.S. source income. You will be eligible to enroll 1 year after your date of hire. If you were insured under a prior Employer's Long Term Disability policy for at least 3 months and the prior Long Term Disability policy provided benefits for at least 5 years, or are classified as President of the University then you will be eligible to enroll on your date of hire.

In order to be an eligible employee under the Employee Assistance Program Plan you must be a regular benefit eligible employee of the Employer and you must not be a non-resident alien without any U.S. source income. You will be eligible to enroll in the Employee Assistance Program Plan on your date of hire in an eligible position.

2. Dependent Eligibility Requirements

Subject to each Plan feature's eligibility requirements that are set forth in the provider contracts or other plan documents identified in Schedule A, and their respective policies, descriptions, plan materials and participant communications, you may also enroll the following members of your family in the Plan (“Eligible Dependents”):

a) Your spouse. “Spouse” means the individual to whom you are legally married as determined under applicable federal tax law. The Plan Sponsor shall have the sole discretion to determine the legal status of a Participant’s marriage for purposes of coverage under the Plan.

b) Your children. Each of your children who is:
   1. under age 26, whether married or unmarried, regardless of his or her student or employment status and regardless of whether your home is his or her principal place of abode or whether you support him or her financially;
   2. over the age of 26 and are unmarried and (i) primarily dependent on you for support because of mental retardation or physical handicap; and (ii) for whom you give the Plan Sponsor satisfactory proof of such mental retardation or physical handicap within 31 days after the later of the commencement of such mental retardation or physical handicap or the date you first become an eligible employee under this Plan; or
   3. for the purposes of any Plan features that are subject to state-mandated benefits, over the age 26 to the extent required to be covered by such state law.

For purposes of this definition, “Child” and “Children” means the following: your biological children, your stepchildren, your legally adopted children, your foster children, any children placed with you for adoption, any children for whom you are responsible under court order, and children for whom you are appointed legal guardianship.

c) Your domestic partner. To enroll your domestic partner and/or his or her eligible dependents, you and your domestic partner must be at least 18 years or older and:
   - Your partner must not be a blood relation who is close enough to be married in the state you reside;
   - You and your partner have lived together in a committed personal relationship for a least six consecutive months before applying for coverage, and you expect to continue living together in a personal relationship in which you have joint and reciprocal financial responsibilities; and
   - You and your partner are not married nor have other domestic partners.
   A complete enrollment application must be completed and retained on file in the Human Resources Department;

For purposes of health coverage to the extent funded under the Premium Conversion Feature and for health care flexible spending account purposes, any individual who is a tax dependent of yours as defined in Code Section 152 (determined without regard to Sections 152(b)(1), (b)(2) and (d)(1)(B), or your child (as defined in Code Section 152(f)(1)) who has not attained age 27 by the end of the calendar year.

d) For dependent care flexible spending account purposes, any individual who is (i) a dependent (within the meaning of Code Section 152) of yours who is under the age of 13 and with respect to whom you are entitled to an exemption under Section 151(c) of the Code; (ii) if you are divorced or separated, a child of yours if you are the child’s custodial parent, even if you cannot claim an exemption for the child, subject to the conditions of Code Section 25(e)(5), or (iii) a dependent (within the meaning of Code Section 152) or Spouse of yours who is physically or mentally incapable of caring for himself or herself. A person under the
dependent care flexible spending account shall cease being an eligible dependent at any time during the Plan Year that such person ceases to satisfy requirements of the preceding sentence. You may be required to verify the eligibility of your eligible dependents for coverage (e.g., by providing a birth or marriage certificate). If you fail to timely provide the documentation upon request to prove the eligibility of any of your eligible dependents or the Plan Administrator (or its delegee) is unable to verify the submitted documentation, your dependent (or dependents) will lose coverage under the Plan, whether or not they are otherwise eligible for benefits under the respective plan.

In order to enroll your eligible dependents in any Plan feature, you must also enroll in that coverage under the Plan.

3. Special Enrollment Rights
If you do not enroll yourself and your dependents in a group health plan after you become eligible or during annual enrollment, you may be able to enroll under the special enrollment rules under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) that apply when an individual initially declines coverage and later wishes to elect it.

Generally, special enrollment is available if:

a) you initially declined coverage because you had other health care coverage that you have now lost through no fault of your own (for example, due to death, divorce, termination of employment or reduction in hours, or employer contributions to your other health care coverage terminate); or

b) since declining coverage initially you have acquired a new dependent (through marriage or the birth or adoption of a child) and wish to cover that person; or

c) cessation of dependent status (such as attaining the maximum age to be eligible as a dependent child under the plan); or

d) loss of coverage because an individual no longer resides, lives or works in the service area (whether or not within the choice of the individual), and no other benefit package is available to the individual; or

e) a situation in which an individual incurs a claim that would meet or exceed a lifetime limit on all benefits; or

f) a situation in which a plan no longer offers any benefits to the class of similarly situated individuals.

When you have previously declined coverage, you must have given (in writing) the alternative coverage as your reason for waiving coverage when you declined to participate. In either case, as long as you meet the necessary requirements, you can enroll both yourself and all eligible dependents in the group health plan within 30 days after you lose your alternative coverage or the date of your marriage or the birth, adoption, or placement for adoption of your child. See the Plan Administrator for details about special enrollment. Colgate University at 13 Oak Drive, Hamilton NY 13346 or by calling 315-228-7411.

Reauthorization Act of 2009 (“CHIP”)
Effective April 1, 2009, CHIP creates two (2) new special enrollment rights applicable to group health plans.

Any employee or Dependent eligible for, but not enrolled in, coverage under the group health plan, may enroll in group health plan coverage if:

- The employee or Dependent is covered under Medicaid or state CHIP and such coverage is terminated due to a loss of eligibility, provided the employee requests coverage under the group health plan no later than 60 days after the Medicaid/CHIP coverage terminates; or

- The employee or Dependent becomes eligible for Medicaid or state CHIP, provided the employee requests group health plan coverage no later than 60 days after the employee or Dependent is determined to be eligible for premium assistance.

4. Qualified Medical Child Support Orders
A Qualified Medical Child Support Order (“QMCSO”) is an order by a court for a parent to provide a child or children with health insurance under a group health plan. The Plan Administrator will comply with the terms of any QMCSO it receives, and will:

a) Establish reasonable procedures to determine whether medical child support orders are qualified medical child support orders as defined under ERISA Section 609;

b) Promptly notify you and any alternate recipient (as defined in ERISA Section 609(a)(2)(C)) of the receipt of any medical child support order, and the Plan's procedures for determining whether medical child support orders are qualified medical child support orders; and

c) Within a reasonable period of time after receipt of such order, the Plan Administrator will determine whether such order is a qualified medical child support order and will notify you and each alternate recipient of such determination.

5. Plan Benefits
The Plan provides for (i) Group Medical Benefits, (ii) Group Dental Benefits, (iii) Group Term Life / AD&D Insurance, (vi) Group Supplemental Term Life / AD&D Insurance (voluntary), (iv) Group Short Term Disability Insurance, (v) Group Long Term Disability Insurance, (vi) Employee Assistance Program all as more fully described (and subject to the limitations contained) in the provider contracts and related materials referred to in Schedule A.

6. Loss of Benefits
As noted above, the Plan Sponsor reserves the right to change or eliminate any Plan feature under the Plan and may amend or terminate the Plan. Except in the case of certain health care continuation rights under Federal law, all benefits terminate when your active employment terminates or when you are no longer eligible or when the group insurance policy terminates, whichever occurs first.
7. **Plan Costs**
The Plan provides for cost sharing between the Plan Sponsor and employees. The dollar values of the participant contributions will be communicated to you prior to any initial, open, or special enrollment period. Employee cost sharing will be taken pre-tax under the Premium Conversion plan unless otherwise requested in writing from the participant prior to the first payroll deduction.

C. **Notices and Disclosures**

1. **Maternity and Family Planning Service**
   Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the attending provider or physician, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours, as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

2. **Special Rule for Women’s Health Coverage**
The Women’s Health and Cancer Rights Act of 1998 (“WHCRA”) requires group health plans, insurance issuers and HMOs who already provide medical and surgical benefits for mastectomy procedures to provide insurance coverage for reconstructive surgery following mastectomies. This expanded coverage includes:
   a) reconstruction of the breast on which the mastectomy has been performed,
   b) surgery and reconstruction of the other breast to produce a symmetrical appearance, and
   c) prostheses and physical complications at all stages of mastectomy, including lymphedemas.

These procedures may be subject to annual deductibles and coinsurance provisions that are similar to those applying to other medical or surgical benefits provided under the Group Medical Feature. For answers to specific questions regarding WHCRA benefits, contact the Plan Administrator. Additional state laws may be applicable as more fully described in other materials detailing your medical benefits.

3. **Patient Protection Disclosure**
The Plan generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in your employer’s group health plan network and who is available to accept you or your family members.

For information on how to select a primary care provider, and for a list of participating primary care providers, contact the Plan Administrator for more information. For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from the Plan or from any other person, including your primary care provider, in order to obtain access to obstetrical or gynecological care from a health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, or for more information, contact the Plan Administrator.

4. **Emergency Services**
No prior authorization for emergency services or higher cost-sharing for out of network emergency services can be requested and/or charged.

5. **Preexisting Condition Exclusion**
The Group Medical Feature does not impose any preexisting condition exclusions or limitations.

D. **Responsibilities for Plan Administration**

1. **Plan Administrator**
The Plan Administrator has (i) the power and authority in its sole, absolute and uncontrolled discretion to control and manage the operation and administration of the Plan and (ii) all powers necessary to accomplish these purposes.

The Plan Administrator will administer the Plan in accordance with established policies, interpretations, practices, and procedures and in accordance with the requirements of ERISA and other applicable laws. With respect to the Plan, the Plan Administrator has discretion (i) to interpret the terms of the Plan, (ii) to determine factual questions that arise in the course of administering the Plan, (iii) to adopt rules and regulations regarding the administration of the Plan, (iv) to determine the conditions under which benefits become payable under the Plan and (v) to make any other determinations that the Plan Administrator believes are necessary and advisable for the administration of the Plan. Subject to any applicable claims procedure, any determination made by the Plan Administrator will be final, conclusive and binding on all parties. The Plan Administrator may delegate all or any portion of its authority to any person or entity.

Despite any plan provision to the contrary, the policies, contracts or booklets for each underlying plan feature govern the benefits to be provided, and the insurers (as applicable) for each plan feature are responsible for making benefit determinations under each such plan feature, not the plan administrator. If there is any conflict between this plan document and such policies, contracts or booklets, then such other documents will control.

2. **Duties of the Plan Administrator**
The Plan Administrator will (i) administer the Plan in accordance with its terms, (ii) decide disputes which may arise relative to a Plan Participant’s rights, (iii) keep and maintain the Plan documents and all other records pertaining to the Plan, (iv) pay or arrange for the payment of claims, (v) with respect to each group health plan covered under the Plan, establish and communicate procedures to
determine whether a medical child support order is qualified under Section 609 of ERISA, and (vi) perform all necessary reporting as required by ERISA.

2. **Plan Administrator Compensation**

While the Plan Administrator serves without compensation, all expenses for administration, including compensation for hired services, will be paid by the Plan unless paid by the Plan Sponsor.

3. **Fiduciary Duties**

A fiduciary must carry out his or her duties and responsibilities for the purpose of providing benefits to the Employees and their dependents and defraying reasonable expenses of plan administration. These duties must be carried out with care, skill, prudence and diligence under the given circumstances that a prudent person, acting in a like capacity and familiar with such matters, would use in a similar situation and in accordance with Plan documents to the extent that they are consistent with ERISA.

4. **Named Fiduciary**

The Plan Administrator is a “named fiduciary” with respect to the Plan. A named fiduciary can appoint others to carry out fiduciary responsibilities (other than as a trustee) under the Plan. These other persons become fiduciaries themselves and are responsible for their acts under the Plan. To the extent that the named fiduciary allocates its responsibility to other persons, the named fiduciary will not be liable for any act or omission of such person unless either (i) the named fiduciary has violated its duties under ERISA in appointing the fiduciary, establishing the procedures to appoint the fiduciary or continuing either the appointment or the procedures or (ii) the named fiduciary breached its fiduciary responsibility under ERISA Section 405(a).

5. **Certificate of Coverage under a Group Health Plan**

Certificates of coverage are written documents provided by a group health plan (or another source that offers health care coverage) to show the type of health care coverage a person had (e.g., employee only, employee plus spouse, etc.) and how long the coverage lasted. Under Federal law, most group health plans must provide these certificates automatically when a person’s coverage terminates. If you do not receive a certificate, however, you have the right to request one from the Plan Administrator at Colgate University at 13 Oak Drive, Hamilton NY 13346 or by calling 315-228-7411. Certificates apply to both participants and dependents. The primary purpose of the certificates is to show the amount of “Creditable Coverage” that you had under a group health plan or other health insurance coverage because this can reduce or eliminate the length of time that any preexisting condition clause in a new plan otherwise might apply to you. Each group health plan covered under this Plan that is required by law to provide certificates of coverage will automatically provide you a certificate after you lose coverage (whether regular coverage or COBRA continuation coverage) and will make reasonable efforts to provide on the certificate the names of your dependents who were also covered. Each applicable group health plan will provide automatic certificates for your dependents when it has reason to know that they are no longer covered. In addition, each applicable group health plan will provide a certificate for you (or your dependents) upon request if you make the request within 24 months after your coverage terminates. The Plan Administrator can give you forms to make such a request. Contact the Plan Administrator at Colgate University at 13 Oak Drive, Hamilton NY 13346 or by calling 315-228-7411 for information.

6. **Uniformed Services Reemployment Rights**

Your right to continued participation in a group health plan during leaves of absence for active military duty is protected by the Uniformed Services Employment and Reemployment Rights Act (USERRA). Accordingly, if you are absent from work due to a period of active duty in the military for less than 31 days, your plan participation will not be interrupted. If the absence is for more than 31 days and not more than 12 weeks, you may continue to maintain your coverage under a group health plan by paying premiums in the manner specified by the Plan Sponsor.

If you do not elect to continue to participate in a group health plan during an absence for military duty that is more than 31 days, or if you revoke a prior election to continue to participate for up to 12 weeks after your military leave began, you and your covered family members will have the opportunity to elect continuation coverage under a group health plan for up to the 24-month period that begins on the first day of your leave of absence. You must pay the premiums for continuation coverage with after-tax funds, subject to the rules that are set out in the applicable Plan features.

USERRA continuation coverage is considered alternative coverage for purposes of COBRA. Therefore, if you elect USERRA continuation coverage, COBRA coverage will generally not be available.

7. **Family Medical Leave Act (“FMLA”)**

If you take a leave of absence (i) for your own serious health condition, (ii) to care for family members with a serious health condition, (iii) to care for a newborn or adopted child, (iv) to care for an injured or ill covered service member of the Armed Forces or (v) due to a qualifying exigency arising out of a covered service member's active duty, you may be able to continue your health coverage under the Plan. If you drop your health coverage during the leave, you can also have your health coverage reinstated on the date you return to work assuming you pay any contributions required for the coverage. See the Plan Administrator for more information about your FMLA rights.

8. **COBRA**

1. **Introduction**

The right to COBRA continuation coverage was created by a Federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and to other members of your family who are covered under the Plan when you would otherwise lose your group health coverage. The following generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it. This notice gives only a summary of your COBRA continuation coverage rights. For more information about your COBRA rights and obligations under the Plan and under Federal law, you should ask the Plan Administrator.
The Plan Administrator is responsible for administering COBRA continuation coverage.

2. COBRA Continuation Coverage

COBRA continuation coverage is a continuation of group health plan coverage when coverage would otherwise end because of a life event known as a “qualifying event.” Specific qualifying events are listed later. COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” A qualified beneficiary is someone who will lose coverage under the Plan because of a qualifying event. Depending on the type of qualifying event, employees, spouses of employees, and dependent children of employees may be qualified beneficiaries. Domestic partners and same-sex spouses, however, are not considered “qualified beneficiaries” under COBRA. Under the group health plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you will lose your coverage under the group health plan because either one of the following qualifying events happens:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you will lose your coverage under the group health plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse’s hours of employment are reduced;
- Your spouse’s employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare (Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they will lose coverage under the group health plan because any of the following qualifying events happens:

- The parent-employee dies;
- The parent-employee’s hours of employment are reduced;
- The parent-employee’s employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the plan as a “dependent child.”

The group health plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, or entitlement of the employee to Medicare (Part A, Part B, or both), the Plan Sponsor must notify the Plan Administrator of the qualifying event within 30 days of the date the event occurs or the date you would otherwise lose coverage under group health plan due to a qualifying event, whichever is later.

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child’s losing eligibility for coverage as a dependent child), you must notify the Plan Administrator. The group health plan requires you to notify the Plan Administrator within 60 days after the qualifying event occurs or the date you would otherwise lose coverage under group health plan due to a qualifying event, whichever is later. You must send this notice to the Plan Administrator in accordance with the procedures set forth below under “Furnishing Notice to Plan Administrator.”

Within 14 days of the Plan Administrator receiving notice (in accordance with the procedures set forth below under “Furnishing Notice to Plan Administrator”) that a qualifying event has occurred, the Plan Administrator will send out an election notice, offering COBRA continuation coverage to each of the qualified beneficiaries. For each qualified beneficiary who elects COBRA continuation coverage, COBRA continuation coverage will begin on the date that group health plan coverage would otherwise have been lost.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, enrollment of the employee in Medicare (Part A, Part B, or both), your divorce or legal separation, or a dependent child losing eligibility as a dependent child, COBRA continuation coverage lasts for up to 36 months.

The maximum COBRA continuation coverage period is 24 months for employees on military leave who are covered by USERRA.

When the qualifying event is the end of employment or reduction of the employee’s hours of employment, COBRA continuation coverage lasts for up to 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended. For fully insured plans offered in the state of New York: Notwithstanding the foregoing, when the qualifying event is the end of employment or reduction of the employee’s hours of employment, COBRA continuation coverage lasts for up to 36 months from the date of the qualifying event. This 36 month period may not be further extended by either a disability or second qualifying event.

Disability extension of 18-month period of continuation coverage

If you or anyone in your family covered under the group health plan is determined by the Social Security Administration to be disabled at any time during the first 60 days of COBRA continuation coverage and you notify the Plan Administrator in a timely fashion, you and your entire family can receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. You must make sure that the Plan Administrator is notified of the Social Security Administration’s determination within 60 days of the latest of the date of the determination, the date of the qualifying event or the date you would otherwise lose coverage under group health plan due to
a qualifying event, and before the end of the 18-month period of COBRA continuation coverage. This notice should be sent to the Plan Administrator in accordance with the procedures set forth below under “Furnishing Notice to Plan Administrator.”

**Second qualifying event extension of 18-month period of continuation coverage**
If your family experiences another qualifying event while receiving COBRA continuation coverage, and such event would result in loss of health coverage if the first qualifying event had not already occurred, the spouse and dependent children in your family can get additional months of COBRA continuation coverage, up to a maximum of 36 months. This extension is available to the spouse and dependent children if the former employee dies, becomes entitled to Medicare (Part A, Part B, or both), or gets divorced or legally separated.

The extension is also available to a dependent child when that child stops being eligible under the group health plan as a dependent child. In all of these cases, you must make sure that the Plan Administrator is notified of the second qualifying event within 60 days of the second qualifying event or the date you would otherwise lose coverage under group health plan due to a qualifying event, whichever is later. This notice must be sent to the Plan Administrator in accordance with the procedures set forth below under “Furnishing Notice to Plan Administrator.”

**Furnishing Notice to Plan Administrator**
You should follow these procedures when notifying the plan administrator of a qualifying event or a disability determination. Failure to follow these procedures may cause loss of coverage.

When furnishing a notice to the Plan Administrator with respect to the occurrence of a qualifying event or with respect to a disability determination by the Social Security Administration, such notices will be delivered to the Human Resources Department of the Plan Administrator (i) by hand-delivery, (ii) via facsimile, followed by written confirmation by first class mail, or (iii) by registered or certified mail, return receipt requested. Such notices will include the name(s) of the covered employee and/or qualified beneficiaries, as applicable, a general description of, and circumstances surrounding, the qualifying event or disability determination, and the date of such qualifying event or disability determination. Once the Plan Administrator receives such notice, it reserves the right to make further inquiry to verify the circumstances surrounding such qualifying event or disability determination.

**If you have questions**
If you have questions about your COBRA continuation coverage, you should contact the Plan Administrator or you may contact the nearest Regional or District Office of the U.S. Department of Labor’s Employee Benefits Security Administration (EBSA). Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA’s website at www.dol.gov/ebsa.

**Keep your plan informed of address changes**
In order to protect your family’s rights, you should keep the Plan Administrator informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

**I. Funding Policy**
Benefits furnished hereunder are provided through the purchase of insurance policies and contracts, unless otherwise indicated in Schedule A. The Plan Sponsor will collect employee premiums and will pay when due all premiums required to keep such policies and contracts in force. Funding is derived from the funds of the Plan Sponsor and contributions made by the employees. The level of any employee contributions is set by the Plan Sponsor, and the Plan Sponsor reserves the right to modify employee contribution amounts. Employee contributions will be used in funding the cost of the Plan benefits as soon as practicable after they have been received from the employee or withheld from the employee’s pay through payroll deduction.

**J. Plan is Not an Employment Contract**
The Plan will not be construed as a contract for or of employment.

**K. HIPAA Privacy and Security Provisions**

1. **Disclosure of Information**
   a) The Plan Sponsor may only use and/or disclose Protected Health Information (as such term is defined in 45 C.F.R. §160.103) as permitted by the “Standards for Privacy of Individually Identifiable Health Information” under the Health Insurance Portability and Accountability Act of 1996, P.L. 104-191, and applicable guidance (the “Privacy Rule”).
   
   b) The Plan will disclose Protected Health Information to the Plan Sponsor only upon its receipt of a certification by the Plan Sponsor that the Plan Sponsor agrees to:
      
      i) Not use or further disclose the information other than as permitted or required by the Plan documents or as required by law;
      
      ii) Ensure that any agents, including subcontractors, to whom it provides Protected Health Information received from the Plan agree to the same restrictions and conditions that apply to the Plan Sponsor with respect to such information;
      
      iii) Not use or disclose the Protected Health Information for employment-related actions and decisions or in connection with any other benefit or employee benefit plan of the Plan Sponsor;
      
      iv) Report to the Plan any use or disclosure of the Protected Health Information that is inconsistent with the uses or disclosures permitted by the Privacy Rule of which it becomes aware;
      
      v) Make available Protected Health Information based on HIPAA’s access requirements in accordance with 45 C.F.R. §164.524;
      
      vi) Make available Protected Health Information for amendment and incorporate any amendments to Protected Health Information in accordance with 45 C.F.R. §164.526;
      
      vii) Make available the information required to provide an accounting of disclosures in accordance with 45 C.F.R. §164.528;
(viii) Make its internal practices, books, and records relating to the use and disclosure of Protected Health Information received from the Plan available to the Secretary of Health and Human Services for purposes of determining compliance by the Plan with the Privacy Rule;

(ix) If feasible, return or destroy all Protected Health Information received from the Plan that the Plan Sponsor still maintains in any form and retain no copies of such information when no longer needed for the purpose for which disclosure was made, except that, if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible; and

(x) Ensure that adequate separation of the Plan and the Plan Sponsor is established as required by 45 C.F.R. 164.504(f)(2)(iii) as described below.

2. Certification of the Plan Sponsor
The Plan (or a health insurance issuer or HMO with respect to the Plan, if applicable) will disclose Protected Health Information to the Plan Sponsor only upon the receipt of a certification by the Plan Sponsor that the Plan has been amended to incorporate the provisions of 45 C.F.R. §164.504(f)(2)(i), and that the Plan Sponsor agrees to the conditions of disclosure set forth in Section J.1. The Plan will not disclose and may not permit a health insurance issuer or HMO to disclose Protected Health Information to the Plan Sponsor as otherwise permitted herein unless the statement required by 45 C.F.R. §164.520(b)(1)(iii)(C) is included in the appropriate notice.

3. Separation of Plan and the Plan Sponsor
   a) Only designated employees in the Human Resources Department of the Plan Sponsor ("Permitted Employees"), which term includes individuals with the following job titles: Director of Benefits and HR Assistant will be given access to the Protected Health Information. Despite the foregoing, any employee or person not described above who receives Protected Health Information relating to payments under, health care operations of, or other matters pertaining to the Plan in the ordinary course of business, will also be included in the definition above of Permitted Employees.
   b) The Permitted Employees may only use the Protected Health Information for Plan administrative functions that the Plan Sponsor performs for the Plan.

4. Security of Electronic Protected Health Information
In accordance with 45 C.F.R. §164.314(b)(2) to the extent as may be required by law, the Plan Sponsor agrees to:
   a) Implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the electronic Protected Health Information that the Plan Sponsor may create, receive, maintain, or transmit on behalf of the Plan;
   b) Ensure that the adequate separation required by 45 C.F.R. §164.504(f)(2)(iii) is supported by reasonable and appropriate security measures;
   c) Ensure that any agents, including subcontractors, to whom it provides electronic Protected Health Information agrees to implement reasonable and appropriate security measures to protect the information; and
   d) Report to the Plan any security incident of which it becomes aware with respect to electronic Protected Health Information.

5. Additional Plan Information
1. Your Rights under ERISA
As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan Participants are entitled to:
   • Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
   • Obtain copies of all Plan documents and other Plan information including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description upon written request to the Plan Administrator. The Plan Administrator may make a reasonable charge for the copies.
   • Receive a summary of the Plan’s annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.
   • Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan particularly the rules governing your COBRA continuation coverage rights.
   • A reduction or elimination of exclusionary periods of coverage for preexisting conditions under your group health plan, if you have creditable coverage from another plan. You should be provided a certificate of creditable coverage, free of charge, from your group health plan or health insurance issuer when you lose coverage under the plan, when you become entitled to elect COBRA continuation coverage, when your COBRA continuation coverage ceases, if you request it before losing coverage, or if you request it up to 24 months after losing coverage. Without evidence of creditable coverage, you may be subject to preexisting condition exclusion for 12 months (18 months for late enrollees) after your enrollment date in your coverage. Notwithstanding the foregoing, there are no preexisting condition exclusions or limitations under the Group Medical Feature.

2. Prudent Actions by Plan Fiduciaries
In addition to creating rights for Plan Participants, ERISA imposes duties upon the people who are responsible for the operation of an employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the best
interest of you and other Plan Participants. No one, including the Plan Sponsor or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

3. **Enforce Your Rights**

   If your claim for a benefit is denied or ignored, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain schedules.

   Under ERISA there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the Plan and do not receive them within thirty (30) days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a medical child support order, you may file suit in Federal court.

   If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

4. **Assistance with Your Questions**

   If you have any questions about this Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, including COBRA, HIPAA and other laws affecting the Plan or need assistance in obtaining documents from the Plan Administrator, you should contact the nearest area office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration. You may also visit their website at [www.dol.gov/ehbsa](http://www.dol.gov/ehbsa).

M. **Claims Procedure for the Plan**

   Except as provided in Paragraphs 1 or 2 below, claims for benefits under each Plan benefit will be reviewed in accordance with procedures contained in the policies, contracts, summary plan descriptions or other written materials for such Plan benefits. All other general claims or requests should be directed to the Plan Administrator. If a non-insurance related claim under the Plan is denied in whole or in part, you or your beneficiary will receive written notification.

   The notification will include the reasons for the denial, with reference to the specific provisions of the Plan on which the denial was based, a description of any additional information needed to process the claim and an explanation of the claims review procedure. If we fail to respond within 90 days, your claim is treated as denied. (This period may be extended to 180 days under certain circumstances.) Within 60 days after denial, you or your beneficiary may submit a written request for reconsideration of the application to the Plan Administrator.

   Any such request should be accompanied by documents or records in support of your appeal. You or your beneficiary may review pertinent documents and submit issues and comments in writing. The Plan Administrator will review the claim and provide, within 60 days, a written response to the appeal. (This period may be extended to 120 days under certain circumstances.)

   In this response, the Plan Administrator will explain the reason for the decision, with specific reference to the provisions of the Plan on which the decision is based. The Plan Administrator has the exclusive right to interpret the provisions of the Plan. Decisions of the Plan Administrator are final, conclusive and binding.

1. **Claims Procedure for Disability Benefits**

   The following claims procedure will apply specifically to claims made for disability benefits under one or more Features. To the extent that this procedure is inconsistent with the claims procedure contained in the policies, contracts, summary plan descriptions or other written materials for such Features, the claims procedure in such other policies, contracts, summary plan descriptions, or other written materials will supersede this procedure as long as such other claims procedure complies with DOL Regulation 2560.503-1. If a claim under the Plan feature is denied in whole or in part, you or your beneficiary will receive written notification within a reasonable period of time, but no later than 45 days after the Plan Administrator’s receipt of the claim. The Plan Administrator may extend this period for up to 30 additional days provided the Plan Administrator determines that the extension is necessary due to matters beyond the Plan Administrator’s control and the claimant is notified of the extension before the end of the initial 45-day period and is also notified of the date by which the Plan Administrator expects to render a decision. The 30-day extension can be extended by an additional 30 days if the Plan Administrator determines that, due to matters beyond its control, it cannot make the decision within the original extended period. In that event, you will be notified before the end of the initial 30-day extension of the circumstances requiring the extension and the date by which the Plan Administrator expects to render a decision. The extension notice will explain the standards on which your entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim, and the additional information, if any, you must submit. If you must provide additional information, you will be provided with at least 45 days to provide the additional information. The period from which you are notified of the additional required information to the date you respond is not counted as part of the determination period. You have 180 days to appeal an adverse benefit determination. You will be notified of the Plan Administrator’s decision upon review within a reasonable period of time, but no later than 45 days after the Plan Administrator receives your appeal request. The 45-day period may be extended for an additional 45-day period if the Plan Administrator determines that special circumstances (such as the need to hold a hearing) require an extension of time. You will be provided with written notice prior to the expiration of the initial 45-day period. Such
notice will state the special circumstances requiring the extension and the date by which the Plan Administrator expects to render a decision.

2. Claims Procedures for a Group Health Plan
The following claims procedure will apply specifically to claims made under any group health plan covered under the Plan. To the extent that this procedure is inconsistent with the claims procedure contained in the policies, contracts, summary plan descriptions or other written materials for a group health plan covered under the Plan, the claims procedure in such other policies, contracts, summary plan descriptions, or other written materials will supersede this procedure as long as such other claims procedure complies with DOL Regulation 2560.503-1 and the Affordable Care Act.

Benefit Determinations

Post-Service Claims
Post-Service Claims are those claims that are filed for payment of benefits after health care has been received. If your Post-Service Claim is denied, you will receive a written notice from the Plan Administrator within 30 days of receipt of the claim, as long as all needed information was provided with the claim. The Plan Administrator will notify you within this 30 day period if additional information is needed to process the claim, and may request a one-time extension not longer than 15 days and hold your claim until all information is received.

Once notified of the extension, you then have 45 days to provide this information. If all of the needed information is received within the 45-day time frame and the claim is denied, the Plan Administrator will notify you of the denial within 15 days after the information is received. If you don’t provide the needed information within the 45-day period, your claim will be denied.

A denial notice will explain the reason for denial, refer to the part of the Plan on which the denial is based, and provide information about applicable appeal procedures.

Pre-Service Claims
Pre-Service Claims are those claims that require notification or approval prior to receiving health care. If your claim was a Pre-Service Claim, and was submitted properly with all needed information, you will receive written notice of the claim decision from the Plan Administrator within 15 days of receipt of the claim. The Plan Administrator will notify you within this 15 day period if additional information is needed to process the claim, and may request a one-time extension not longer than 15 days and hold your claim until all information is received. Once notified of the extension, you then have 45 days to provide this information.

If all of the needed information is received within the 45-day time frame, the Plan Administrator will notify you of the determination within 15 days after the information is received. If you don’t provide the needed information within the 45-day period, your claim will be denied.

A denial notice will explain the reason for denial, refer to the part of the Plan on which the denial is based, and provide information about the applicable appeal procedures.

Urgent Claims that Require Immediate Action
Urgent Care Claims are those claims that require notification or approval prior to receiving medical care, where a delay in treatment could seriously jeopardize your life or health or the ability to regain maximum function or, in the opinion of a doctor with knowledge of your health condition, could cause severe pain.

In these situations:

- You will receive notice of the benefit determination in writing or electronically as soon as possible, but no later than 24 hours unless the you fail to provide sufficient information to determine whether, or to what extent, benefits are covered under the Plan.
- Notice of denial may be oral with a written or electronic confirmation to follow within 3 days.

If you filed an Urgent Care Claim improperly, the Plan Administrator will notify you of the improper filing and how to correct it within 24 hours after the Urgent Care Claim was received. If additional information is needed to process the claim, the Plan Administrator will notify you of the information needed within 24 hours after the claim was received. You then have 48 hours to provide the requested information.

- You will be notified of a determination no later than 48 hours after:
  - The Plan Administrator’s receipt of the requested information; or the end of the 48-hour period within which you were to provide the additional information, if the information is not received within that time.

A denial notice will explain the reason for denial, refer to the part of the Plan on which the denial is based, and provide information about applicable appeal procedures.

Concurrent Care Claims
If an on-going course of treatment was previously approved for a specific period of time or number of treatments, and your request to extend the treatment is an Urgent Care Claim as defined above, your request will be decided within 24 hours, provided your request is made at least 24 hours prior to the end of the approved treatment. The claims administrator will make a determination on your request for the extended treatment within 24 hours from receipt of your request. If your request for extended treatment is not made at least 24 hours prior to the end of the approved treatment, the request will be treated as an Urgent Care Claim and decided according to the timeframes described above.
If an ongoing course of treatment was previously approved for a specific period of time or number of treatments, and you request to extend treatment in a non-urgent circumstance, your request will be considered a new claim and decided according to post-service or pre-service timeframes, whichever applies.

**How to Appeal a Claim Decision**

If you disagree with a claim determination after following the above steps, you can contact the Plan Administrator in writing to formally request an appeal. If the appeal relates to a claim for payment, your request should include:

- The patient’s name and the identification number from the ID card.
- The date(s) of health care service(s).
- The provider’s name.
- The reason you believe the claim should be paid.
- Any documentation or other written information to support your request for claim payment.

Your first appeal request must be submitted to the Plan Administrator within 180 days after you receive the claim denial.

**Appeal Process**

A qualified individual who was not involved in the decision being appealed will be appointed to decide the appeal. If your appeal is related to clinical matters, the review will be done in consultation with a health care professional with appropriate expertise in the field who was not involved in the prior determination. The Plan Administrator may consult with, or seek the participation of, medical experts as part of the appeal resolution process. You consent to this referral and the sharing of pertinent health claim information. Upon request and free of charge you have the right to reasonable access to and copies of, all documents, records, and other information relevant to your claim for benefits.

**Appeals Determinations**

**Pre-Service and Post-Service Claim Appeals**

You will be provided with written or electronic notification of the decision on your appeal as follows:

For appeals of Pre-Service Claims (as defined above), the first level appeal will be conducted and you will be notified by the Plan Administrator of the decision within 15 days from receipt of a request for appeal of a denied claim. The second level appeal will be conducted and you will be notified by the Plan Administrator of the decision within 15 days from receipt of a request for review of the first level appeal decision.

For appeals of Post-Service Claims (as defined above), the first level appeal will be conducted and you will be notified by the Plan Administrator of the decision within 30 days from receipt of a request for appeal of a denied claim. The second level appeal will be conducted and you will be notified by the Plan Administrator of the decision within 30 days from receipt of a request for review of the first level appeal decision.

For procedures associated with Urgent Claims, see “Urgent Claim Appeals That Require Immediate Action” below.

If you are not satisfied with the first level appeal decision of the Plan Administrator, you have the right to request a second level appeal from the Plan Administrator. Your second level appeal request must be submitted to the Plan Administrator within 60 days from receipt of first level appeal decision.

Please note that the Plan Administrator’s decision is based only on whether or not benefits are available under the group health plan for the proposed treatment or procedure. The determination as to whether the pending health service is necessary or appropriate is between you and your doctor.

**Urgent Claim Appeals That Require Immediate Action**

Your appeal may require immediate action if a delay in treatment could significantly increase the risk to your health or the ability to regain maximum function or cause severe pain. In these urgent situations, the appeal does not need to be submitted in writing. Your doctor should call the Plan Administrator as soon as possible, and provide the Plan Administrator with the information identified above under “How to Appeal a Claim Decision.” The Plan Administrator will provide you with a written or electronic determination within 72 hours following receipt of your request for review of the determination taking into account the seriousness of your condition.

**External Review**

If the group health plan in which you are enrolled is not subject to a State external review process and is not a “grandfathered” plan for purposes of the Affordable Care Act, and your internal appeal of a claim for benefits (not related to employee classifications) under such plan is denied, then to the extent required by the Affordable Care Act you will have the right to request an external (i.e., independent) review if you do so within four months after receiving notice of an adverse benefit determination or final internal adverse benefit determination. Within five business days after receiving your request, a preliminary review will be completed to determine whether: (i) you are/were covered under the Plan; (ii) the denial was based on your ineligibility under the terms of the Plan; (iii) you have exhausted the Plan’s internal process, if required; and (iv) you provided all information necessary to process the external review. Within one business day after completing the preliminary review, you will be notified in writing if your appeal is not eligible for an external review or if it is incomplete. If your appeal is complete but not eligible, the notice will include the reason(s) for ineligibility. If your appeal is not complete, the notice will describe any information needed to complete the appeal. You will have the remainder of the four month filing period or 48 hours after receiving the notice, whichever is greater, to cure any defect. If eligible for an external review, your appeal will be assigned to an independent review organization (IRO). If the IRO reverses the Plan’s denial, the IRO will provide you written notice of its determination.

In addition, you will have the right to an expedited external review in the following situations:
i) Following an adverse benefit determination involving a medical condition for which the timeframe for completion of an expedited internal appeal would seriously jeopardize your life or health or would jeopardize your ability to regain maximum function and you have filed a request for an expedited internal appeal; and

ii) Following a final internal adverse benefit determination involving (i) a medical condition for which the timeframe for completion of a standard external review would seriously jeopardize your life or health or would jeopardize your ability to regain maximum function or (ii) an admission, availability of care, continued stay, or health care item or service for which you received emergency services but have not been discharged from a facility.

The Plan Administrator has the exclusive right to interpret and administer the provisions of the Plan. The Plan Administrator’s decisions are conclusive and binding. The Plan Administrator has final claims adjudication authority under the Plan.

N. Subrogation and Rights of Recovery

The Plan is designed to only pay covered expenses under each Plan feature for which payment is not available from anyone else, including any insurance company or any other health or welfare plan. In order to help you and your covered dependents in a time of need, however, the Plan may pay covered expenses that may be or become the responsibility of another person, provided that the Plan later receives reimbursement for those payments (hereinafter called “Reimbursable Payments”).

Therefore, by enrolling in the Plan, as well as by applying for payment of covered expenses, you and your dependents are subject to, and agree to, the following terms and conditions with respect to the amount of covered expenses paid by the Plan.

1. Assignment of Rights (Subrogation)

You and your dependents automatically assign to the Plan any rights (or causes of action) you and/or your dependents may have to recover all or part of the same covered expenses from any party, including an insurer or any other group health or welfare program, but limited to the amount of Reimbursable Payments made by the Plan. This assignment includes, without limitation, the assignment of a right to (or causes of action for) any funds paid by a third party to you and/or any of your dependents or paid to another for your benefit (or the benefit of one of your dependents). This assignment applies on a first-dollar basis (i.e., has priority over other rights), applies whether the funds paid to (or for the benefit of) you and/or one of your dependents constitute a full or a partial recovery, and even applies to funds paid for non-medical or non-disability charges, attorney fees, or other costs and expenses. This assignment also allows the Plan to pursue any claim that you and/or any of your dependents may have, whether or not you or such dependent chooses to pursue that claim. By this assignment, the Plan’s right to recover from insurers includes, without limitation, such recovery rights against no-fault auto insurance carriers in a situation where no third party may be liable, and from any uninsured or underinsured motorist coverage.

2. Equitable Liens/Equitable Remedies

The Plan shall also have an equitable lien against any rights (or causes of action) you and/or your dependents may have to recover the same covered expenses from any party, including an insurer or any other group health or welfare program, but limited to the amount of Reimbursable Payments made by the Plan. The equitable lien also attaches to any right to payment from workers’ compensation, whether by judgment or settlement, where the Plan has paid covered expenses prior to a determination that the covered expenses arose out of and in the course of employment. Payment by workers’ compensation insurers or the employer will be deemed to mean that such a determination has been made.

This equitable lien shall also attach to any money or property that is obtained by anyone (including, but not limited to, you or your dependent, your or your dependent’s attorney, and/or a trust) as a result of an exercise of your and/or your dependent’s rights of recovery (sometimes referred to as “proceeds”). The Plan shall also be entitled to seek any other equitable remedy against any party possessing or controlling such proceeds. At the discretion of the Plan Administrator, the Plan may reduce any future covered expenses otherwise available to you and/or your dependents under the Plan by an amount up to the total amount of Reimbursable Payments made by the Plan that is subject to the equitable lien.

3. Assisting Reimbursement Activities

You and your covered dependents have an obligation to assist the Plan to obtain reimbursement of the Reimbursable Payments that it has made on your behalf (and on behalf of your dependents), and to provide the Plan with any information concerning your and/or your dependent’s other insurance coverage (whether through automobile insurance, other group health or welfare program, or otherwise) and any other person or entity (including their insurer(s)) that may be obligated to provide payments or benefits on your behalf (or on behalf of one of your dependents). You and/or your dependents are required to: (a) cooperate fully in the Plan’s exercise of its right to subrogation and reimbursement; (b) not do anything to prejudice those rights (such as settling a claim against another party without including the Plan as a co-payee for the amount of the Reimbursable Payments and notifying the Plan); (c) sign any document deemed by the Plan Administrator to be relevant to protecting the Plan’s subrogation, reimbursement or other rights; and (d) provide relevant information when requested. The term “information” includes any documents, insurance policies, police reports, or any reasonable request by the Plan Administrator to enforce the Plan’s rights.

Failure by you or your dependents to follow the above terms and conditions may result, at the discretion of the Plan Administrator, in a reduction from future benefit payments available to you or your dependents under the Plan of an amount up to the aggregate amount of Reimbursable Payments that has not been reimbursed to the Plan.
The Plan's rights hereunder shall not be construed to interfere or conflict in any way with the provisions of any insurance policies or other provider contracts that are made part of the Plan. Rather, the Plan's rights under this Section I shall run concurrent with any such similar right provided to any such insurer, vendor or provider under the Plan, but in no event shall you, or any of your dependents, as the case may be, be obligated to make payments to the Plan in excess of the Reimbursable Payments.

IN WITNESS WHEREOF, the Plan Sponsor has caused this Plan to be executed in its name and on its behalf this 17th day of February, 2014 by a duly authorized officer of the Plan Sponsor.

Flexible Benefits Plan

Summary of Material Modification — Effective January 1, 2015
Changes to the Plan and Summary Plan Description (SPD) for The Colgate University Flexible Benefits Plan are described below.

Flexible Benefits Plan (Plan Number 501)

V. Health Care Flexible Spending Arrangement Plan
5.1 What Is A Health Care Flexible Spending Arrangement Account?
The Health Care Flexible Spending Arrangement Account (HCFSA) is intended to pay for health care expenses not covered by your group health plans and/or deductibles and other out-of-pocket expenses associated with your group health plans.
The HCFSA is a tax savings vehicle which enables you to take money pre-tax from your salary, to pay for certain unreimbursed medical expenses. Then, as you incur eligible expenses, you are reimbursed from your account. The maximum amount you can elect to contribute to your HCFSA is $2,550 annually (or a ratable portion of this amount for any short plan year), and the maximum amount is available to you as of the first day of the Plan Year. These limits may be adjusted from time to time by the Plan Administrator. To the extent required by the Affordable Care Act, effective January 1, 2015, you cannot elect for any calendar year to contribute to your HCFSA in excess of $2,550.

This Summary of Material Modification (SMM) describes the changes that affect your benefit plans and updates your plan descriptions. SMM’s together with the plan booklets make up your official plan descriptions; please keep them together and refer to them as necessary. We’ve made every attempt to insure the accuracy of the information in this SMM. However, if there is any discrepancy between this and the insurance contracts, the insurance contracts will always govern.
