Colgate Panhellenic Association

Inclusivity Statement

The Panhellenic Association governs Colgate’s three nationally recognized female Greek letter organizations, Delta Delta Delta, Gamma Phi Beta and Kappa Kappa Gamma. Panhellenic values sisterhood and philanthropy, manages sorority recruitment and creates and maintains standards for member chapters. Panhellenic is working to:

- Continue to encourage and provide resources for exceptional academic achievement.
- Establish a growing number of opportunities for officers and other Greek members to take active roles as leaders in our school and broader community.
- Create educational events meant to enrich the intellectual and personal growth of chapter members and the greater Colgate community, with a focus on women’s wellness issues such as body image and female solidarity.
- Better the Hamilton community through communication with key Hamilton leaders to assess how we can support the needs of the town through service projects.
- The Panhellenic Association values diversity and will recruit potential new members on an inclusive and non-discriminatory basis without regard to race, sexual orientation, ethnicity, disability, or socioeconomic status.
- To further the Panhellenic Association commitment to value diversity and non-discrimination we...
  - create welcoming and receptive environments for potential new members from diverse backgrounds and experiences
  - recruit and support the needs of a diverse group of young women, including providing financial support in the form of awards where needed
  - explore genuine and new avenues for connecting with, and welcoming women from all walks of life into Formal Recruitment
