## APPROVED PROGRAMS 2016-17

Approved Programs and institutions are carefully vetted by Colgate faculty and the Office of Off-Campus Study to ensure standards for academic rigor, meaningful opportunities for cultural engagement, and on-site support services. Programs on the list are subject to change. Approval to study in countries subject to a US Department of State Travel Advisory or Warning is not guaranteed. Please consult with an Off-Campus Study adviser regarding program selection, and with departmental advisers regarding coursework to be applied to a major or minor.
