**SAVE THE DATE**
America’s Greatest Heart Run & Walk 2006 - Saturday, March 4, 2006
32nd Anniversary Event

“Team Colgate” is once again participating in America’s Greatest Heart Run & Walk. Faculty, students and staff, as well as family and friends, are welcome and encouraged to join “Team Colgate.” This is a great opportunity to share some Colgate camaraderie, to get some healthy exercise, to serve our community, and to have FUN.

Please join us in Utica on Saturday, March 4, 2006 as “Team Colgate” shows its commitment to prevention of the disease and the care and treatment of those afflicted by it. If you did not receive a pledge/sign up form from the Heart Association, call Heather at x6693 or Dianna at x7411 for a form, get a minimum of $30 in pledges and then pre-register at Reid Athletic Center on Tuesday, February 28, 2006 from 5:00 p.m. to 7:30 p.m.

“Team Colgate” raised over $9,000 for this important cause last year with 65 participants. Colgate was awarded first place for the highest average pledge in the team category of Colleges and Higher Education.

**Our goal this year is to raise $13,113.13 and have 113 participants.** If every returning member recruited one new member for “Team Colgate”, we would surpass our goal of 113 participants.

Colgate community members have participated in the Heart Run & Walk for many years. For the past three years “Team Colgate” has walked in memory of two people Colgate lost to heart disease, Volker Tuettenberg ’03 and Colgate Board Chair Brian Little ’64 and we continue to do so.

“Team Colgate” NEEDS YOU to be a part of the best team in America’s Greatest Heart Run & Walk 2006; we hope you will be able to participate. So sign up now and join the fun! Transportation from the Student Union to Utica College will be provided.

We are also looking to recruit Team Co-Captains for each department, floors, or other organizations/groups (i.e. a team captain from Campus Safety; Human Resources; Building & Grounds; Admissions; RA’s from the dorms; athletics; varsity sports, etc.).

If interested, contact either:

Heather Payne hepayne@mail.colgate.edu
Dianna Lundrigan dlundrigan@mail.colgate.edu
Margie Bikowsky mbikowsky@mail.colgate.edu
Marni Manwarren mmanwarren@mail.colgate.edu
Betsy Busche Cross ebusche@mail.colgate.edu
Leah Gacioch ’08 lgacioch@mail.colgate.edu
New ITS Website coming
The ITS staff is creating a new website, to replace the familiar computing.colgate.edu. We will be sending further announcements about its availability, so prepare to change your favorites.

Network Update
During the Holiday break ITS will be making some security-related enhancements to the campus network. There are no scheduled outages associated with these enhancements.

Training and Workshops
Technology workshops will be scheduled during the week of January 6-13. Watch your campus mail for a printed copy of the schedule, or view the offerings online at http://computing.colgate.edu/its/learning/

“Macintosh Tips & Tricks” and “Blackboard and You” are only two of the many titles. If you cannot make a scheduled workshop, but would like individual or small group training, contact Dave Baird (x7467) to setup a time.

Lab Hours and Student Services
The Diagnostic Center (DCC) and Residential Computer Consultants (RCC) are closed for the semester. Both RCC and DCC services start up again January 23. The O’Connor lab will be open throughout the break, except for University holidays, M-F 8:00 a.m. to 4:00 p.m.

Track your own Helpline request
Early in the new year ITS will be announcing a new way of entering on-line help requests which will allow you to track progress of any requests you’ve entered and reduce the amount of information you need to enter to minimize errors in communication. We will be using Track-It [from Intuit] to register requests. You’ll enter your network user name and password for personalized access to your own call information. You’ll be able to search for information to solve your problem immediately and attach helpful information such as a screenshot to your request. The web address for requests will remain the same. Watch for an announcement early next year.

Good-bye to PrintServer03—Printing from Windows
ITS is retiring Printsv03, one of the servers that allows centralized management of print jobs from Windows PCs to our network printers. This is being done to balance the load among servers, and reduce the total number of servers we need to maintain.

We are doing this now, since we’re having hardware issues with Printsv03 and have decided to retire it rather than repair it. For most users the effect should be minimal since Printsv03 has always been the “backup” server and most computers are set to print to Printsv01 or –02. We are making sure that all of the queues on Printsv03 are duplicated on both Printsv01 and –02 so that Printsv03 users can simply switch to one of the main servers and continue working.

We are still testing, and won’t actually turn off the machine until we’re comfortable that the effects can be quickly and easily managed. As always, the Helpline is ready to answer questions and work with users, so please direct your questions their way.

Employee Discounts: Cingular and Verizon
Both Cingular and Verizon offer discounts to Colgate employees for their personal cell phones. Even if you are currently mid-contract, you can take advantage of these offers by contacting our representatives. Please send any questions directly to them.

Cingular, Michelle Light:
Michelle.Light@cingular.com, or 796-8900

Verizon, Mike Loguidice,
Mike.Loguidice@verizonwireless.com, or 546-3395.

Happy Holidays
From ITS!

FOR YOUR BENEFIT
Beginning for 2006 all participants (active and retirees) will receive a dental id card. The notification/card will come directly from MVP. All information on dental will now have the MVP name/logo.

New address for dental claims beginning on 1/1/2006:
MVP Select Care, Inc.
Dental Claims
PO Box 763
Schenectady, NY 12301
**BIRTH ANNOUNCEMENTS**

Alison Mathias and Kevin Carlsmith welcomed their new daughter, Julia Elliott on November 14. She joins her big sister, Abby (2). Kevin is an assistant professor in psychology.

---

The family of Wilson (Rube) Brown wants to thank all the people at Colgate University and Seven Oaks Golf Course. We thank you for taking time to send flowers, cards, stop and visited and kept our father, our family, and our friends in your thoughts and prayers. We have drawn strength from you in these past weeks and months. We feel lucky to have had Rube in our lives. We would like to let you know how much you all meant to our father. He truly enjoyed his years working with you. It consoles us even more to know how much he touched people’s lives with his laughter, love and spirit. Though we will miss him greatly, we take comfort in knowing how much he touched other people’s lives. Thank you very much.

Jane, David, Melissa, Aaron and Leanne

---

Thank you for your prayers and support during the recent illness and death of my father. Your love and kindness is so very much appreciated.

Jackie D’Amore
