Department Spotlight: Career Services

Colgate Career Services: Empowering Students For Lifetime Opportunities

Located in Spear House, next to Persson Hall, the Center for Career Services empowers students and alumni to engage in strategic exploration, preparation, and action to translate their liberal arts education into a lifetime of meaningful work. Colgate students are introduced to the center’s services in their first year and are encouraged to visit early and often – and students listen! So far this year, career services has engaged with more than 96% of the entire student body. Inspired by their academic experience, students utilize individual advising, workshops and events, job and internship recruiting, innovative programs, and our alumni and parent network to consider opportunities beyond Colgate.

Signature programs include Day In The Life, which offers hundreds of first- and second-year students alumni-sponsored job shadow opportunities over winter break, SophoMORE Connections, that regularly hosts 400 sophomores to campus prior to spring semester for a three-day career discovery conference featuring 125+ alumni, faculty and staff guest presenters, and The Real World Series for seniors, which focuses on alumni networking and life transition skills (personal finance, apartment hunting, etc.).

The combination of Colgate’s rigorous academics, robust extracurricular experience, and comprehensive career programs sets the stage for great outcomes. Consistently, for the past two years ~97% of the class has obtained employment, an offer of admission to graduate/professional school, or a competitive fellowship or internship within six-ten months of graduating. Opening in spring 2018, we are excited to offer students a state-of-the-art facility to launch into the professional world. Benton Hall, named for the generous support of Dan Benton ’80, will provide a new home for Career Services, but also programming and classroom space for the benefit of the entire campus.

We are always looking for interesting ideas for partnerships. Please reach out to learn more and to meet the staff!
Retirements

SUE SOLLOWAY, assistant registrar, graduated from Colgate with a master's degree in English.
CONGRATULATIONS!

ANN ACKERSON, interlibrary loan coordinator | April 30

In Memoriam

JACK DODD, retiree, APRIL 23
JOHN LEFEVRE, retiree, MAY 25
1. **Wes Jackson** accepted the position of campus safety officer on May 2. He previously worked for the Madison County Sheriffs Department, and holds a degree from Morrisville State University. Wes enjoys coaching high school basketball, volunteering with at risk youth, and being a father to his young daughter.

2. **Courtney Jasper** accepted the position of payroll assistant on May 9. She previously worked as a customer service representative at NBT Mang Insurance Agency, and holds a bachelor’s degree in psychology from St. John Fisher College.

3. **Angela Foster** accepted the position of administrative assistant in the office of admissions on May 16. She previously worked as a travel agent at AAA Travel, and holds a bachelor’s degree in International Hotel & Tourism Management from Johnson & Wales University. In her free time, Angela enjoys reading and gardening.

4. **Crystal Jadwick** accepted the position of administrative assistant, in planned giving on May 16. She previously worked at Cazenovia College as an assistant in the President’s office. Crystal holds a degree in elementary education and in accounting. She enjoys spending time with family, hiking, reading, and watching college women’s basketball.
Summer Hours 2016

With the semester winding down and the weather warming up, we are announcing our summer hours, which will be in effect from Monday, June 6, 2016 - Friday, July 29, 2016. The policy pertaining to these hours, as outlined in the Personnel Policies and Benefits Handbook, is as follows:

“The University currently observes “summer hours” for 8 weeks during the months of June and July. The workday is reduced by one-half hour per day for full time support and technical staff, Monday through Friday. This practice is subject to annual review to ensure University needs are not adversely affected. Regular Support Staff and Technical employees are compensated with a summer adjustment: Support Staff and Technical employees who are in positions normally scheduled to work 75 or more hours per pay period will be credited with an additional five hours of pay for the two-week period. Employees in positions normally scheduled to work at least 40 to 74 hours per pay period will be credited with an additional 2.5 hours of pay.

Employees should record summer hours using the summer adjustment earn code. Summer adjustment hours are not included in overtime calculations. Salaried staff (non-hourly), the Office of Campus Safety or employees covered under the Facilities collective bargaining agreement are not eligible for the summer adjustment.”

As stated, the Summer Hours Policy applies to support and technical staff employees who hold regular full-time and regular part-time positions. The policy is not applicable to salaried (non-hourly) employees, the Office of Campus Safety or employees who are covered under the Facilities collective bargaining agreement.

In some instances, due to operational needs, departments may need to make modifications to accommodate the summer hours schedule and/or to offer alternative schedules (e.g., begin and end a week later; work longer hours for 4 days, or leave earlier 1 day each week). We encourage staff and supervisors to work collaboratively and creatively to determine alternative work arrangements, while considering the operational needs of the department. Please contact human resources at ext. 7411 to discuss any alternate work arrangements.

We are pleased to continue to offer this benefit to Colgate’s excellent support and technical staff members.

As a reminder to all employees, this year the Memorial Day holiday will be observed on Monday, May 30 and the Independence Day holiday will be observed on Monday, July 4, 2016.

Summer Hours 2016: June 6 – July 29
Colgate Hot Jobs: Spread the Word

Colgate is a very special place to work! Let’s spread the news! Periodically, human resources will showcase several jobs listed on our careers at Colgate website in hopes that staff will share these opportunities and links with colleagues and/or potential applicants who may be interested in working at Colgate.

The following positions are presently available:

- Administrative assistant, associate deans of the faculty and assistant dean of fellowship advising
- Administrative assistant, department of philosophy and linguistics program
- Administrative assistant, alumni relations
- Human Resources Assistant

Please remember to view these, and all of our jobs at https://careers.colgate.edu
Bus Services Update
From the Purchasing Dept.

Effective June 1, 2016 Birnie Bus will no longer service the Colgate community. Cruiser and on-demand service will now be provided by First Transit Inc.

Departments will have a choice between Wade Tours and Hale Transportation for their charter service needs.

Contact information is as follows:
Hale Transportation: 315-853-8670
Wade Tours: 518-355-4500
First Transit: 315-228-ibus (4287)
First Transit will continue normal summer break hours on Tuesdays & Fridays.

If you have any questions feel free to contact the Purchasing office for assistance in this transition at extension 7838.
FREE MAKEUP CONSULTATIONS

We are excited to announce this new employee benefit! You can now purchase an Apple or Lenovo computer and finance it through a payroll deduction plan. Follow the link below to see the program overview for complete details.

We offer educational discounts, warranties, and repairs at the Colgate Bookstore!

LEARN MORE

Gate Tech Trade-in Reward
To trade in old or broken devices for store credit, bring in your old device to the technology center on the 2nd floor of the bookstore or arrange your trade-in online here. Then, upgrade your tech and use your trade-in money toward your new purchase!
The Picker Art Gallery (second floor, Dana Arts Center) announces the opening of its new exhibition in conjunction with Reunion 2016, *Converging Perspectives: Interdisciplinary Approaches to the Permanent Collection*, on June 2, 2016. The exhibition presents eight examples of faculty and student approaches to the permanent collection of the Picker Art Gallery from across the four academic divisions at Colgate University: Arts and Humanities, Social Sciences, Natural Sciences and Mathematics, and University Studies. Featuring more than forty works of art—including prints, drawings, photographs, paintings, and sculpture from the fourth to the twenty-first centuries—*Converging Perspectives* highlights the interdisciplinary ways in which Colgate University students, faculty, and alumni have utilized collection objects for teaching and innovative research. An additional display of recent gifts to the Picker Art Gallery from contemporary artist Mark Dion also illustrates cross-disciplinary connections made on campus during Dion’s residency at Colgate in spring 2015.

**THE EXHIBITION WILL RUN THROUGH JULY 3, 2016, AND IS FREE AND OPEN TO THE PUBLIC!**

**GALLERY HOURS:**
Tuesday–Friday, 10AM - 5PM  
Saturday & Sunday, noon–5PM  
Third Thursday of every month, 10AM–8PM  
Closed Mondays and major holidays.
Attention Boilermaker Runners!

Are you interested in joining a Colgate University employee team to compete in the 2016 Boilermaker 15k Corporate Cup? Every July, over 14,000 runners participate in the Utica Boilermaker 15k run. Some of those runners are representing their workplace by participating in the Corporate Cup. Colgate University fielded a co-ed running team last year showing our Colgate pride over the 9.3 mile course.

Participation is simple. If you are a Colgate employee or retiree (part-time employees must work 20 hours per week) and are already registered for the Boilermaker 15k (sorry, there is no Corporate Cup for 5k runners) and want to be part of Colgate’s team, just submit your name and email address to Drew Porter (aporter@colgate.edu). There is no obligation to run as a group on race day as many runners may already be planning to run with a friend or family member. And, there are no additional fees! Just let us know you are interested and you are in!

Leading up to the race, we plan to create an email group to share tips on training, arrange car pools to the packet pickup or to the event itself, perhaps even some group runs. The Corporate Cup standings count the two fastest male times and two fastest female times plus the next fastest time (male or female) toward the team results. We are looking for maximum participation so there is no need to worry about how fast or slow you run.

This is a great way to represent Colgate University in the community and make new friends as well. Join us at one of the most fun and challenging events of the summer!
