The requirements for all minors are available in the Colgate University Catalogue. (http://www.colgate.edu/academics/course-catalogue.) You are encouraged to run a Degree Works “What-If” audit for this minor prior to declaring, to ensure that completion of requirements is feasible. It is expected that you will discuss your audit with your academic adviser during the declaration process.

Please note: Students wishing to declare a minor must formally file their plan with the registrar’s office by the end of the full-term course withdrawal period in the first term of the senior year. No more than two courses may be counted toward both a major and a minor and some departments/programs allow only one course to double count.
