They Poisoned the Sacred and Developed the Burial Ground:
How Do We Keep the Good Mind and Take Care of Those
Who are Our Helpers

Dr. Jemison will give a public lecture on Haudenosaunee people,
NAGPRA, New York State, and custodial and burial rights issues. A
member of the Seneca Nation of Indians, he is also a consultant to New
York State on these important matters. Also, he has marked his 20th year at
NYSHS at Ganondagan.
