

## OE Wish list

Some of you have commented that you would like to be able to buy us a gift instead of giving a donation to OE. We have compiled a short list of items on which we rely or would enjoy integrating into our programming that you could purchase and send to us at Base Camp; 13 Oak Drive, Hamilton NY 13346. We will post this list as a link from our home page and update it as gifts are received.
