Special Accommodation Application

Special Accommodations for the fall 2012 & spring 2013 semesters
Application Deadline: February 22, 2012

Colgate is committed to providing reasonable accommodations to students with special housing or dietary needs. If you have individual needs or circumstances that warrant special consideration, there is a review process and committee designated for that purpose. You must complete this Special Accommodations Application. Please be thorough in describing your needs and feel free to use the space on the back of the form. Along with the form, please submit written documentation from a professional who is not related to you and who is qualified to evaluate your needs to Lynn Waldman, Director of Academic Support and Disability Services, Center for Learning, Teaching and Research (the gray building across from Merrill House). If you have applied for and have been granted special accommodations in the past, you are still required to submit the application and to confirm with the appropriate office that your documentation is current and complete.

If you have dietary needs, please contact George Murray, Director of Dining Services at Frank Dining Hall (315) 228-7670, to discuss your needs.
