Events – Friday, October 27

9:00 a.m–7:00 p.m.  **Family Weekend Welcome Center**  
*Donovan’s Pub, James C. Colgate Student Union*  
Come register, receive a gift from the Parents’ Fund, and meet other families!

10:20 a.m–3:00 p.m.  **Haven: Sexual Assault Response Center**  
*Curtis Hall, Haven, Garden Level*  
Haven is the new sexual assault response center on campus. Through student activism and the community coming together, Haven and the Sexual Assault Nurse Examiner (SANE) Program are available to the Colgate community and Madison County. Please join members of our staff and student interns for a walk-through of Haven and learn more about the services available.

12:15–1:10 p.m.  **ENST Brown Bag: Biogenic Nanoparticles in the Wastewater Treatment Process**  
*ALANA Cultural Center, Multipurpose Room*  
Assistant Professor of Environmental Studies and Physics Linda Tseng will present during this Environmental Studies Brown Bag. Lunch from Hamilton Whole Foods will be provided.

1:00–5:00 p.m.  **Open House: Special Collections and University Archives**  
*Lawrence Hall, 2nd Floor*  
Special Collections and University Archives will be showcasing some of the fantastic items from our collections, including stereographic views of campus from the early 1900s and rare books dating from 1562 to 1975. The department’s current exhibit, Behind the Paintbrushes and Pens: Illustrators and Authors of Early 20th Century Travelogues, examines the dynamic lives of some of the painters and writers of travelogues published between 1900 and 1915, revealing a group of people just as interesting and delightful as the places they visited.

2:30–3:30 p.m.  **Open House: Department of Romance Languages and Literatures**  
*275 Case Library*  
Students and families are invited to meet members of the French, Italian, and Spanish faculty, learn more about the curriculum, and visit the spaces where Romance languages and literatures are experienced on campus. Past and future leaders of the Dijon, Madrid, and Venice study groups will also be available to share their experiences and answer questions.
3:00–4:00 p.m.  Family Bike Ride
*Mt. Pleasant Hotel, Colgate University*  
Meet outside of Donovan’s Pub, ready to ride at 3 p.m.  
Social, short bike ride around the valley to enjoy the fall colors. Meet other families and take in the beauty of Colgate and the local area. Bring a bike, or email kwatkins@colgate.edu ahead if you need one. Text 315-825-8447 for an update if the weather is inclement.

3:00–4:00 p.m.  Colgate Conversations: International Programs and Study Abroad
*McGregory Hall, Center for International Programs*  
Staff members of the Center for International Programs will discuss the process and options for study-abroad candidates.

3:00–4:00 p.m.  Colgate Conversations: Dean of the College Update
*Little Hall, Golden Auditorium*  
Panel discussion with administrative deans, residential life, and counseling, moderated by Paul J. McLoughlin II, Vice President and Dean of the College.

3:00–4:00 p.m.  Colgate Conversations: Career Services, Parental Guidance Required
*Persson Hall Auditorium*  
Career services staff members will share important information about the changes in the world of work and how students engage with the Center for Career Services early and often.

3:00–4:30 p.m.  Open House: COVE
*109 Lathrop*  
Join us for a fall treat and to hear more about our volunteer programs at the Max Shacknai Center for Outreach, Volunteerism, and Education (COVE).

3:30–4:30 p.m.  National French Honor Society Induction Ceremony
*Lawrence Hall, Keck Center*  
Induction ceremony of new members and honorary members into Colgate’s Omicron Omega chapter of Pi Delta Phi, the national French honor society.

3:30–5:30 p.m.  Gamma Phi Beta Chili Cook-Off
*72 Broad Street*  
Gamma Phi Beta is hosting its annual Chili Cook-Off event! Stop by to taste a variety of chili made by Colgate students and vote for your favorite. Suggested donation of $7.00; all proceeds benefit Madison County Children’s Camp.

5:00–7:15 p.m.  Friday Night Film Series: *Under the Sun* (2015), and panel discussion
*Golden Auditorium, Little Hall*  
After years of negotiation, the Russian director, Vitaly Mansky was invited by the North Korean government to make a film about one girl and her family in the year she prepares to join the Children’s Union, on the “Day of the Shining Star,” Kim Jong-Il’s birthday. And so it might seem joyous, as Mansky films her
in patriotic school pageants and in dance class, or with her parents, eating delicious food in their picturesque apartment. But the government handlers supervising the production did not realize that Mansky kept filming even after they had shouted, “Cut.” The result is a film that reveals both the country’s façade and that which lies behind it. The screening will be followed by a faculty panel. Cosponsored by the Peace and Conflict Studies and Asian Studies programs.

5:00–7:00 p.m. **Family Weekend Shabbat Services and Dinner**
*Saperstein Jewish Center*
Please join the Colgate Jewish Union/Hillel for a brief, vibrant service followed by a delicious Shabbat dinner!

5:00–10:00 p.m. **CAB Presents: Psychic Fair**
*O’Connor Campus Center (COOP), Conference Level*
Psychics will engage students with insights they may glean from tarot cards, palm reading, handwriting analysis, and even ESP. Past fortunes will be read and told!

5:30–7:00 p.m. **Family Weekend BBQ**
*Whitnall Field*
Registration required. Enjoy dinner and meet other families.

5:30 p.m. **Tales of a Time Traveler**
*Ho Tung Visualization Lab, 401 Ho Science Center*
Follow Dr. Who star, David Tennant, on adventure through time and explore this history of our cosmos from Earth time to star time to cosmos time.

Additional showing: Saturday, 10 a.m.

6:15 p.m. **Extreme Weather**
*Ho Tung Visualization Lab, 401 Ho Science Center*
*Extreme Weather* takes us to the front lines where few have gone. Follow researchers and everyday heroes as they boat up to the melting tidewater glaciers in Alaska, embed sensors in tornadoes in the Great Plains, and battle out-of-control wildfires caused by drought in California. Through the lens of their experiences, audiences discover surprising connections that help us understand and adapt to our ever-changing weather.

Additional showing: Saturday, 2 p.m.

7:15 p.m. **Black Holes**
*Ho Tung Visualization Lab, 401 Ho Science Center*
*Black Holes* takes you on a journey through one of the most mystifying, awe-inspiring phenomena in the universe: a black hole. Where do they come from? Where do they go? How do we find them? Is there one on Earth’s
horizon? Using the latest in full-dome, 3D animation visualization technology, we invite you to explore the science and mystery of black holes. 

**Additional showing:** Saturday, 3 p.m.

---

**8:00–10:00 p.m.**
