COLGATE UNIVERSITY

Institutional Planning & Research

Colgate University students were invited to participate in the HEDS Sexual Assault Campus Climate survey from February 5 to February 24th. The survey covered topics relating to personal experiences of sexual violence as well as awareness, prevention, and survivor support. Participation was entirely voluntary, and students had the opportunity to skip any questions they chose. Some of the content of this survey is required by the New York State Enough is Enough Law.

This document includes information that may be difficult for survivors of sexual violence or for those close to them.

Through the end of April, students can continue share their experiences of sexual violence or how they have been affected by the experiences of others for anonymous use in institutional research. Analysis of responses should be available during the upcoming academic year.

Based on the recommendation of the Assessment Committee, this report is being made publicly available at this time. Colgate faculty, staff, and students are encouraged to contact Neil Albert, University Registrar and Director of Institutional Planning, Assessment and Research (315-228-7397, nalbert@colgate.edu) with any requests for additional information from this survey. All other inquiries should be directed to the Office of Communications (315-228-6395, ddevries@colgate.edu).

There are several confidential resources available to students. A counselor is available for walk-ins Monday-Friday from 1:30-4:30 p.m. in Conant House. After office hours, an on-call counselor is available nights and weekends and can be reached through calling campus safety (315-228-7333) and asking for the counselor on call. Students can make an appointment to meet with a counselor at Haven by calling the Counseling Center at 315-228-7385. Students who may not want to speak with a counselor can meet with Haven's Program Coordinator, Tracia Banuelos, by calling her at 315-228-4286 or by emailing her at tbanuelos@colgate.edu. University chaplains are available at the Office of the Chaplains in the garden level of the Colgate Chapel or by calling 315-228-7682. Every Tuesday from 10 a.m. - 4 p.m., Help Restore Hope's Campus Advocate Cassandra Havener has walk-in hours at Haven. Students can call or text Cassandra at 607-373-8051, or email her at chavener@liberty-resources.org. Help Restore Hope also offers free individual counseling and group therapy.

To report an incident of sexual violence, contact the Title IX Coordinator (mrugg@colgate.edu; 315-228-7288), Campus Safety (315-228-7911), any current member of the Equity Grievance Panel, or use this online form.
