Overview

ORDERING YOUR HIGH SCHOOL OR COLLEGE TRANSCRIPT IS EASY. AND FAST. AND SECURE.

Place your order by telling us which school has your transcript and where you want to send it. We notify the school and they review your order. Once approved, they upload your transcript into our system. We deliver your transcript.

HOW IT WORKS

1. Search for your school.
   - Your school has your transcript so the first thing you need to do is tell us the name of your school.
   - It’s important to note that we do not hold your transcript. Your school has your transcript, and we tell them that you want your transcript sent somewhere. Therefore, if there is a delay with your order, you may need to speak to someone at your school about it. For example, your order may be placed on hold due to an overdue book. In this case, you would need to contact your school to resolve the issue.

2. Send your transcript anywhere.
   - We can send your transcript to any destination worldwide - to a college, an employer, or yourself. And we can send it electronically or by mail. If your transcript is not available electronically, your school can prepare it themselves and get it to its destination.

3. Track your order.
   - You can track the entire ordering process at Parchment.com. Go to the Track your transcript help topic for details.
Register for a Parchment.com account

You must create an account before you can request your transcript.

Go to Parchment.com, click Sign up, and follow the onscreen instructions.

A COUPLE THINGS ABOUT REGISTERING

- If you get an error telling you that a valid password is required, make sure your password is at least 8 characters long and contains both letters and numbers.
- If you are a parent/guardian, you can select if you’d like to create a parent/guardian account. For more information on these accounts, go to the Parent/guardian accounts help topic.

REGISTRATION CODES (HIGH SCHOOL STUDENTS ONLY)

- If your high school sent you an email to register, click the Register Your Free Account button in the email and then follow the onscreen instructions.
- If you have a registration code on a handout that your high school gave you, go to parchment.com/register and enter the code into the white boxes.

OPT-IN TO SHARE YOUR INFORMATION

During the registration process, you will be presented with a pop-up screen asking if you’d like to share your information with colleges and/or employers looking for people like you. Click Yes if you’d like to share your information, or click No if you’d rather not.

- If you opt-in, this means that we will make some of the information you provide to us available to a variety of colleges and programs. The colleges and programs can then send you information about themselves, so you can see if they fit your plans.

- Use Other Organization or Other Individual to send transcripts to employers, military addresses, or specific individuals/departments at a college.

3. You will see detailed information about the order.
   - In the example below, you can see that the order has been submitted to the school, but the school has not yet uploaded the transcript to Parchment.
   - On the bottom left of the Order history you can get more detail about the status.
   - On the top left is the Document ID. If you need to contact us about your order, you should Submit a ticket and include your Document ID with all the other relevant information.
   - For a full list of statuses, go to the next page.
Transcript statuses

These are some of the statuses you may see when you track your order. You won’t see all of these because some are specifically for electronic transcripts and some for paper transcripts.

You’ll see here that your order has been submitted to your school. If your order has been in this status for more than two days, you should contact your school. There may be an issue as to why they haven’t uploaded your transcript yet.

You’ll see here that your order has been placed on hold. You need to contact your school to find out why they placed your order on hold.

You’ll see here that your electronic transcript has been delivered but the recipient has not downloaded it yet. If your order has been in this status for more than two days, you should contact the recipient and tell them that they can download the transcript. If they say that they did not receive an email, you can tell them to check their Spam. If they still cannot find it, Submit a ticket and we’ll resend the email.
TRANSCRIPTS (CONTINUED)

You’ll see here that your electronic transcript has been downloaded by the recipient.

If you sent your transcript to a school that was auto-populated when you placed your order (in other words, you didn’t enter the address because it appeared in the system automatically), and the school says that they don’t have your transcript even though you see ‘Download confirmed’, the school can search the Reports section of their Parchment account. You just have to give them your Document ID (which you’ll find on the top left of this screen) and they’ll find your transcript.

You’ll see here that your transcript has been shipped. First Class mail can take up to seven business days to reach the destination. If you sent your transcript to a school, they do not always process the transcripts immediately. If you have waited a reasonable amount of time, we will resend the transcript one time free of charge. For security purposes, we can only resend your transcript to the original destination.

If your transcript was shipped by FedEx, please be aware that FedEx does not deliver on Saturday and Sunday.
The Common App

The Common App website has great resources to walk you through the entire admissions process, including:

- Submitting your Common Application training course
- Common App Support Site

To request your transcript to be sent to the Common Application:

1. Create an account at www.commonapp.org and note your Common App ID.
2. Follow the instructions to invite your counselor to be a Recommender. This will trigger an email to your counselor, which explains how to submit school forms online.
   - Your Counselor must accept your invitation to be a Recommender.
   - Your Counselor must open your Secondary School Report before you can place a transcript request to the Common Application.
   - Your Counselor must submit your school forms online.
3. Once you have created your Common Application account and invited your counselor to be a Recommender, go to the Order your Transcript section and follow the instructions.
Payment and refunds

The amount you pay for a transcript to be sent from your school to a destination depends on many factors, including where you are sending it, and if you are sending it electronically or by mail. When you place your order, you will be presented with a screen showing you the exact amount.

We accept Visa, Mastercard, Discover, and American Express.

REFUND POLICY

We want you to be completely happy with your purchase. Therefore, our refund policy is very straightforward:

If you are not 100% satisfied, we will offer you a full credit or a refund.

Simply submit a ticket and give us the details. We’ll take it from there.

FAQs

WHERE IS MY TRANSCRIPT?
Have you tracked your transcript? If you haven’t, please do this now. Go to the Track your transcript help topic for instructions.

MY TRANSCRIPT HAS NOT BEEN RECEIVED.
Log in to Parchment.com and you will see a list of your orders. Click Order History. This shows you the status of your order. Go to the Transcript Status section for full details on what the transcript statuses mean.

If the transcript status says that the transcript should have been delivered, confirm that the destination was correct.

- If the destination is incorrect, go to the Incorrect Address FAQ.
- If the destination is correct and you ordered an electronic transcript:
  - Ask the receiver to check their spam folder if you manually entered their email address when you placed the order.
  - If you selected the destination when it appeared in the list, the receiver can search for your transcript using your Document ID number, which is a unique number that we give to each document order. You’ll find this number on the Order History screen.
  - If you still can’t locate your transcript, submit a ticket and give us the details so we can make sure your transcript gets to its destination.
- If the destination is correct and you ordered a printed transcript:
  - We cannot track printed transcripts once they leave our facility except for expedited FedEx shipments.
  - If your transcript did not reach its destination within a reasonable amount of time, we will send your transcript again one time free of charge. Institutions can take 4-6 weeks to process incoming transcripts and make the necessary entries in their computer systems. During this time, they may not be able to confirm that they received your transcript. We will resend your transcript four weeks after the first time it was mailed.
  - For security purposes, we can only resend your transcript to the destination provided during the initial request.
  - To request a transcript resend, submit a ticket and give us the details.

HOW DO I ADD ANOTHER SCHOOL?
To add another school to your account:

1. Log in to Parchment.com.
2. Click **Transcripts**.

3. Click **+ Add another institution**.

4. Enter the school’s information and click **Search**.

5. When you see your school listed, select it and then click **Save & Continue**.
   - If your school does not appear, or it does appear but when you select it, it says it’s not available for transcript requests, you will need to contact them directly to request your transcript.

**HOW DO I REMOVE A SCHOOL?**

1. Log in to **Parchment.com**.

2. Hover over the down arrow on the top right and click **Account Settings**.

3. Click **School & Transcript Preferences** on the left side.

4. When you see your school listed, click **Remove School**.

**CAN I HAVE MY OWN ACCOUNT IF I’M UNDER 18?**

Yes. You can set up your own account, but will need verbal parental/guardian consent to register an account. You will also need a parent/guardian electronic signature to request transcripts.

**I ACCIDENTALLY ENTERED THE WRONG ADDRESS. WHAT SHOULD I DO?**

For security purposes, we can only (re)send your transcript to the destination you provided during the initial request. There is no way to change the destination address once a transcript has been requested. Any transcripts returned to our facility due to an incorrect address will be shredded.

Therefore, if a transcript was sent to the wrong address, you will have to place a new request to have it sent to the correct address. Once you have done that, you can submit a ticket and we should be able to give you a refund.

**HOW DO I MAKE CHANGES TO MY ACCOUNT (EMAIL ADDRESS, HOME ADDRESS, ETC)?**

1. Log in to **Parchment.com**.

2. Click **Account Settings** under the arrow on the top right of your screen. You can change your:
   - Log in information
   - Registration information
   - Parchment profile and privacy settings
- School and transcript preferences
- College discovery setting
- Discussion board settings

**THE INFORMATION ON MY TRANSCRIPT IS INCORRECT. WHAT SHOULD I DO?**
We deliver transcripts exactly as they are provided from the sending institution. If you have a question regarding the content or accuracy of the transcript data, please contact your school directly.

**WHAT IF MY TRANSCRIPT IS NOT AVAILABLE ELECTRONICALLY?**
If your transcript is not available electronically, you can still place your order through Parchment if your school is affiliated with us. Your school will prepare your transcript themselves and get it to its destination. Go ahead and start the ordering process and when you search for your school, you will find out if you are able to order your transcript through Parchment.

**HOW DO I SEND A PAPER TRANSCRIPT INSTEAD OF AN ELECTRONIC ONE IF I ONLY SEE AN OPTION FOR AN ELECTRONIC ONE?**
Some colleges within the Parchment network prefer to receive their transcripts electronically. If you would like to send a paper transcript, you should choose Other Individual or Other Organization as the destination. You can then choose to have your transcript printed and mailed instead of being sent electronically. However, please be aware that this may not be the preferred choice of the school.

**HOW DO I SEND MY TRANSCRIPT TO A PARTICULAR INDIVIDUAL AT THE COLLEGE I AM APPLYING TO?**
When you place your order, choose Other Individual the destination. You can then choose to send your transcript directly to an individual at the college.
