

COLGATE
UNIVERSITY

International Students and Alumni

LUMBARDH HALITJAHA '19
Home country: Kosovo
Majors: Mathematics, Computer Science
In his first year, Halitjaha traveled to two intercollegiate tournaments with the Colgate Debate Society. He was a member of the Brothers service organization, and worked as a research assistant in the Department of Political Science.

DIBYADEEP (DIBS) DATTA '10
Home country: India
Major: Neuroscience
Datta's most memorable time was his off-campus study experience at the National Institutes of Health, where he worked in some of the most exciting research laboratories in the world. He is now a postdoctoral associate in the Department of Neuroscience at Yale University.

HAESSEL KIM '18
Home country: South Korea
Major: Psychology
Kim participated in several cultural clubs including the Korean Culture Association and the Colgate International Community. In her Sophomore Residential Seminar, Kim traveled to Istanbul, and she spent a summer on campus conducting research.

TRACY MILYANGO '19
Home country: Tanzania
Major: Sociology
Milyango was the president of the African Students' Union and an active member of the dance group, Afro-Beat. She spent a semester studying in Seoul, South Korea, and was inducted into the Konosioni Senior Honor Society.

Financial Aid

Colgate offers need-based financial aid primarily consisting of grant funds and a campus job. *Financial aid awards for international students will meet full, demonstrated need* based on the information provided at the time of admission. colgate.edu/international

Office of International Student Services (OISS)

Providing specialized support exclusively for international students, OISS assists with immigration services and works to help students adjust to daily life in a new country. colgate.edu/OISS

Colgate provides \$1 million+ each year in funding for student research or unpaid internships.
