[Colgate University](#) is a highly selective residential liberal arts university. With small classes, a strong emphasis on faculty-student interaction, and a residential community valuing all forms of intellectual rigor, we help students become thoughtful, critical thinkers and perceptive leaders. Colgate University offers [54 majors](#) in the humanities, natural sciences, social sciences and interdisciplinary programs; student enrollment is approximately 2,900 undergraduate students each year. The [campus](#) is located in the idyllic, small town of Hamilton in central New York State and is known as one of the most beautiful college campuses in the United States.

Colgate is located in [Hamilton, New York](#) which is one hour from Syracuse, New York and 4 hours from New York City. Hamilton was recently named one of America's most friendly towns.

Requirements

Students must meet English proficiency requirements as established by the host institution. It is preferable that Yonsei University students submit an official TOEFL score to be admitted to Colgate.

In addition, depending on availability, applicants may be asked to participate in an informal interview with a Colgate faculty member to assess their speaking abilities and their interests in participating in the exchange program.

Courses

A normal course load at Colgate is four courses. A full list of course offerings is [here](#). At Colgate, Yonsei University students must enroll in at least one course in the arts or the humanities, consistent with a liberal arts education and no more than two courses in one academic department.

Student life

Yonsei University students at Colgate will have full access to campus activities and facilities. We have state-of-the-art athletics facilities and sporting events. There is a plethora of resources on campus to help you remain active. From racquetball and squash courts, to the Glendening Boathouse on Lake Moraine, you have no shortage of opportunities. More details can be found [here](#). Colgate also offers literally hundreds of opportunities to get involved in [clubs and organizations](#) on campus. Exchange students will also be part of a larger international student community at Colgate. For more information, go [here](#).

Housing and meals

Exchange students may live in college apartments, college houses, or townhouses. These options include both traditional-style housing options and interest housing; details can be found [here](#). Exchange students at Colgate will be billed for their housing by Colgate. One semester of on-campus housing at Colgate typically costs \$3,500. Exchange students may be required to purchase a meal plan while at Colgate (depending on the residence hall in which they will reside). During extended academic recess (i.e.: holidays, winter and spring break periods, etc.), housing and meal expenses shall be borne by each individual exchange student.

Costs

In addition to housing costs, students will be responsible for payment of their own round-trip international travel, textbooks, student visa (approximately \$180), visa mailing fee and all other personal costs at Colgate. Health insurance (approximately \$750 for Fall term and 1,100 for Spring term) and a student activity fee (approximately \$170) are mandatory fees and will be added to your Colgate University student bill.
