WE HAVE ALL YOUR TECH NEEDS

When you purchase your computer through the Colgate Bookstore, you are guaranteed competitive pricing & first-class customer service!

WHY BUY MY LAPTOP FROM THE COLGATE BOOKSTORE?

We arrange diagnostic and repair work for all laptops so you don't have to. Only students who buy their laptop from the Colgate Bookstore are eligible for our loaner program, which allows you to continue working uninterrupted while your computer is being repaired. Special orders for HP model computers can also be placed.

WHEN SHOULD I PLACE MY ORDER?

You can place your order as soon as you receive your Colgate ID number, but you may want to wait a few weeks.

WHY WAIT?

- New models come out in late spring; waiting gives you access to the latest, greatest machines.
- The warranty starts as soon as you purchase, so the closer to the start of classes, the longer the warranty will be of value.

Our computer department staff is available each weekday to answer your questions. Computer Buyer & Repair Specialist Travis Swartfiguer can be reached at 315.228.7776 or by email at tswartfiguer@colgate.edu.
