Dear Alumni and Friends,

After two years without gathering, we are excited to welcome thousands of alumni back to the University in celebration of reunion.

This weekend occurs during an important time for Colgate, as we continue the most significant transformation in the history of the University. During the weekend, you will hear more about the ***Third-Century Plan*** and the ***Campaign for the Third Century***. Together, we will celebrate Colgate's proud history and the people who are a part of it, as well as look forward to a profoundly ambitious future.

Thank you for taking part in this gathering of Colgate alumni. Please enjoy the events that have been developed by your classmates and by University staff, reacquaint yourself with your alma mater, and reconnect with your friends on this historic weekend — three years in the making.

Welcome back to Colgate.

Sincerely,

Brian W. Casey

President
