

Be Ready. Be Safe.

Campus Safety Department

📍 88 Hamilton Street — 315-228-7333 — cusafety@colgate.edu

Colgate Alert: This is the University's emergency notification system, designed to provide rapid notification and instruction to students, faculty, and staff in the event of an emergency or severe weather event. Log in to your Colgate portal (portal.colgate.edu) to review and edit contact information.

Colgate Guardian App: The app provides a direct connection to campus safety, Colgate services, support, resources, anonymous tips, and a safety timer to keep you safer anytime of day. For installations and frequently asked questions, visit the Colgate Guardian web page colgate.edu/guardianapp. Get the Rave Guardian App now.

Guardian

The Colgate Guardian app provides a direct connection to campus safety contacts, anonymous tips, and safety timer to keep you safe anytime of day.

Launch Guardian

See Something, Sense Something, Say Something:

Immediately report dangerous conditions, safety hazards, or suspicious activity, behavior, vehicles, or packages. Contact campus safety via the Colgate Guardian app or call **315-228-7333**. If you are off campus, call 911. *For on-campus emergencies, call campus safety at x7911, this is the best option for police, fire, and medical assistance to allow for faster response.* We have immediate and direct contact with Madison County first responders and our emergency response time is generally under two to three minutes.

Parking and Permits: All vehicles, at all times, require a parking permit to park on campus. Parking regulations are in effect 24/7, year-round, including weekends, holidays, and break periods. Visit parking.colgate.edu to apply for your parking permit and learn more. Decals can be picked up at campus safety and must be properly displayed on vehicles.

COLGATE UNIVERSITY

Campus Blue Light Phones: Strategically located across campus, these call boxes allow for two-way communication with campus safety (24/7) in an emergency. Identifiable by overhead blue lights, these telephones are directly linked to the campus safety dispatcher.

Personal Safety Escorts: Upon request, the campus safety team provides personal safety escorts to students, faculty, and staff. Personal safety escorts are intended for individuals with safety concerns traversing to and/or from their vehicles, academic buildings, or campus residence halls. If the request for a personal safety escort is to an off-campus residence, on-duty supervisors have discretion to exercise limited exceptions. In these instances, a physical address is required. Campus safety personnel will not drop someone at the intersection of a street or at a nonresidential location. Personal safety escorts cannot be scheduled and they are not reservation-based. For all other transportation needs, please use the Colgate Cruiser. For non-emergency transportation service of students with qualifying temporary or chronic

medical conditions, see information on Colgate's RideAssist Non-Emergency Medical Transportation.

Safety Preparedness Guide: The information contained in the Safety Preparedness Guide covers a wide range of emergency situations and offers guidance on how best to be ready and to respond. Please take time to review and become familiar with this important and potentially life-saving information.

Face Time with Campus Safety

Campus safety engages positively with our campus community. We host events and offer opportunities for students to interact with campus safety staff and to talk about whatever is on their minds. Send your ideas and suggestions to campus safety at cusafety@colgate.edu.
